Alumni Choose Woodland to Go to Lincoln Banquet

Frank Woodland was selected by the Omaha alumni of the University of Nebraska last night to represent their society at a banquet to be given in Lincoln Saturday night to the alumni of the state school. Mr. Woodland will represent the local organization in the alumni council meeting at Lincoln. Judge Charles Foster was chosen as an alternate for the same position. One of these two men will respond to a toast at the

Lincoln banquet. The Omaha alumni also discussed last evening at their meeting in the university club rooms the banquet which they will hold in December for the Cornhusker foot ball team. President Frank Woodland was authorized to appoint a committee to take charge of the arrangements. It is probable that the big feed will be held in the new rooms of the University club, which are to be the quarters which the Commercial club recently vacated. These are now being put into shape for the University club. The special train which has been chartered to carry the Omaha alumni to the game at Lincoln will leave the Burlington station at 10 o'clock tomorrow morning. Returning, it will leave Lincoln at 5:39 o'clock. Several hundred alumni and other Omaha people are expected to go to Lincoln to see Nebraska and Kansas

Thousands of persons have been rescued from the tortures of Rheumatiss and restored to perfect health by the use of S. S. S. So uniform are the good results from its use that we do not hesitate to say S. S. S. always conquers Rheumatism if given a fair trial. You can never cure this deepseated disease with external treatment, such as liniments, plasters, blisters, etc. These may furnish temporary relief but they do not reach the blood where the real cause is located. Rheumatism is rooted and grounded

in the blood and must be driven from its stronghold there before permanent relief can be had. S. S. S. conquers Rheumatism by driving from the circulation the excess accumulation of uric acid which is responsible for the disease. S. S. S. strengthens and invigorates the blood so that instead of a weak, s mr fluid, causing pain and agony throughout the system, it becomes a nourishing stream furnishing health to every portion of the body and relieving every symptom of Rhenmatism. If you do not conquer Rheumatism it will conquer you. S. S. S. is the

one remedy you can depend upon for good effects. Book on Rheumatism and medical advice free. THE SWIFT SPECIFIC CO., ATLANTA. GA.
